

Electronic recording of meeting statement read by Chairman of the meeting.

Start of meeting

"This meeting is being recorded.

The law allows for this meeting to be filmed or otherwise recorded by anyone present. Is anyone else here intending to record the meeting ?

If any member of the public objects to being filmed, please speak now and the Clerk will resear you outside the range of the camera."

To the person(s) making the recording:

"I must ask that those recording this meeting do not edit the film or recording in any way that could lead to misinterpretation of the proceedings.

Thank you."
